ANNUAL REPORT- 2019

DAV PUBLIC SCHOOL

IFFCO TOWNSHIP, PARADEEP
Jagatsinghpur, Odisha, India

*"If the doors of perception were cleansed everything would appear to man
as it is, Infinite. For man has closed himself up, till he sees all things
through narrow chinks of his cavern."*

-William Blake

Ladies and Gentlemen

I extend a warm and gracious welcome to all our lovely children, parents and stake-holders to the new Academic Year-2019-20.

The school is a part of social change and thus plays a pivotal role in preserving the rich legacy of our age-old culture which is our identity. Today the role of a school is not only to pursue academic excellence but also to empower the students to be lifelong learners.

We try to provide the best possible environment for healthy development of young children by providing a carefully planned and structured environment in which the child grows and learns in a natural way. In this process DAV IFFCO leaves no stone unturned to provide the students a variety of activities for the growth of hidden potential with a vibrant academic ambience.

We know the role of educators has been redefined in this world where the present generation is bombarded with knowledge through different sources. Our task is the most challenging one in the world as we are handling the most delicate things i.e. the human minds in their formative periods and we the teachers here at DAV IFFCO take up teaching as a mission not as a profession. Our mission is to build a healthy society.

I too grab this rare opportunity to render my sincere thanks to our parents for having bestowed their faith and confidence in us.

Dear Parents, your faith in us is our driving force. Your cooperation is our invaluable asset. Your unremitting cooperation and valuable suggestions have helped us achieve new milestones in the last academic year and hope your good wishes and cooperation will continue in our journey for making your children valuable human beings with educational excellence. My heartfelt thanks to the students who have showed their mettle by winning laurels in academics and co-curricular on and off the campus making us feel proud.

I seize this opportunity to present before you the tale of every success our students have scripted in the last Academic Year i.e. 2018-19 with the untiring efforts of the dedicated band of teachers.

Academics:

- 1. In the last academic session the school has achieved 100% result in class XII CBSE examination and 17 out of 18 passed in first division with 92.40% highest.*
- 2. In class X board examination all the 52 students have come out with flying colours with 11 students scoring more than 90% and 39 students have been placed in first division.*
- 3. To augment academic standard of every pupil we have conducted remedial classes and following our practice we have conducted 12 hour classes for the Board examinees (7am to 7pm).*
- 4. We have continued the mentoring system with 5/6 board examinees under the charge of a teacher to take care after school hours.*

5. To make the students conversant with competitive examinations we have conducted monthly MCQ tests from class-5 onwards.
6. Like the previous year, to update the students with Current Affairs and General Knowledge, improve English proficiency and inculcate the values of India's Vedic culture we have conducted Competitions such as Quiz Wizard, Extempore Champ and Sloka Guru every month.
7. This time we have initiated weekly Group Discussion from class VI to XII on current issues.
8. To improve security system, the school has installed CCTV cameras in all the class rooms and corridors.

This time we are sanguine enough to reap a good harvest. I am confident that the unceasing labour and unflagging devotion of the teachers will be rewarded with a better performance in class-X & XII than the previous years.

Co curricular:

The school is bent upon providing holistic education and thus provided the students every opportunity for the innate personality to flourish. Apart from regular inter-house competitions for every class, this time the school has organised more than 50 activities and observations such as International Yoga Day, Kargil Vijay Diwas, Vigilance Awareness week, Gandhi and Shastri Jayanti, Netaji Jayanti & Veer Surendra Sai Jayanti, Birth and Death Anniversaries of APJ Abdul Kalam, tribute to Atal Bihari Vajpayee, Mega Exhibition -"COGNIVILLE", Mother's Rangoli & Petal designing, Potted Plant(Veg., flowering & non-flowering), Investiture Ceremony, National Deworming Day and the list is unending.

Sports:

The school has organised Annual Sports for seniors, juniors and Kids with a lot of exuberance and spirit. The students have shown their mettle off the campus too. The school has lifted the Champion Trophy in inter school Football Championship organised by Bethni Convent, Paradeep. In DAV Zonal Sports Meet the school has bagged Runner-Up trophy in Football and five students from our school were selected to play at DAV National Sports Meet held at DAV Public School, Bariatu, Ranchi. Again two students from our school participated in State level Cricket Championship and three students participated in State level Badminton Championship. Our students also have participated in State level Football and Table Tennis Championship. The school has provided every opportunity to our students to make them sturdy, tough and strong through sports and games.

Laurels by the Students:

The students of this school have brought laurels at District, cluster and this time at state level literary, music and quiz competitions organised by Govt. of Odisha, DAV and various local bodies.

Making us proud a student of class III, Miss Biswarupa Nanda has secured the coveted rank-2 at National Level Mathematics Olympiad conducted by National Teachers' Council and the star child of ours was awarded a tablet PC, gold medal with a certificate.

The story moves forward when two students, Miss Shambhavi Gupta of UKG and Anshika Mishra of LKG secured first position at All India Level in Procom Olympiad in Mathematics and GK respectively.

Again two students, Master Aditya Mohanty and Miss Sagnika Lagnalabdha Das of our school were adjudged to be the best at State level in vocal and instrumental music conducted by the Govt. of Odisha. The duo had the privilege to represent the state at the National level competitions.

Our heart thumps with pride to declare that a student of IX Miss Shivangi Swain has received the 2nd prize at state level quiz competition organised by Petroleum Conservation Research Association, Govt. of India.

Grooming the Teachers

The school has successfully organized training camps for the primary teachers of Science working in all the DAV's of Odisha Zone-I with the generous assistance of IFFCO Management and all the teachers of the school have attended at least five day in-service training programme organized by the DAV Centre for Academic Excellence under the auspices of Regional Directorate, DAV Institutions, Odisha Zone-I and the CBSE. We are obliged to the IFFCO Management under whose support and assistance the school has successfully been able to organise Principals' Meet, first ever of its kind, of DAV Odisha Zone-I.

I take pride in announcing that the school has been privileged to set up Atal Tinkering Lab(ATL) sanctioned by NITI Ayog, Govt. of India to augment scientific temper in the young minds.

I am grateful to you all and extend my deepest thanks for unceasing cooperation, valuable and timely suggestions of our worthy parents. I am obliged to Sri A. K. Panda, the outgoing Chairman and Sri. K.J. Patel, our present Visionary Chairman of the School LMC and Unit Head of IFFCO, Paradeep and the entire IFFCO Management for their timely support and advice to realize our mission of nation building.
