Esteemed Parents

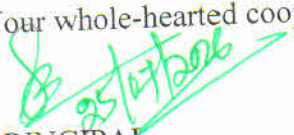

Greetings of the day!

Since the academic session 2026-27 has started in full swing and the students are gearing up to take the first Formative Assessment (PT/PA-1) starting from 27 July 2026 for students of Std.III to XII, the school academic committee would like to put forth some humble submissions to the valued parents for kind consideration and necessary action at their end.

Submissions before the parents:

1. PT/PA is a mandatory examination for all the students from Std.III to XII. 10% weightage will be taken from PT/PA- 1 & 3 each for the final cumulative result of Std.III to VII for deciding students' rank. For Std.VIII to XII, students' performance in PA will be taken into account for planning remediation. Hence, kindly ensure that your ward does not remain absent in these examinations. However, due to any exigency if the child is compelled to miss these assessments, kindly intimate the class teachers through written application in advance so that necessary arrangement can be made. No consideration will be made for the wilful absentees without valid communication.
2. Regular classes will continue after the assessments to cover the syllabus and revise the PA/PT portions. So, it's a sincere request to the parents not to take their wards after the assessments. We are quite optimistic that our responsible parents will surely cooperate with the school in this regard for maintaining a healthy academic ambience.
3. Half day attendance will be considered only if a child leaves the campus during or after recess for a valid cause. Taking children prior to that will deprive them from that.
4. Parents are humbly requested to wait till the end of a period to take their wards so that classes and other children will not be disturbed frequently. In case of any emergency, the school will intimate the concerned parents to take their children as soon as possible.
5. For the safety of the students and to avoid unauthorised intrusion, it has been decided that front inner main entrance gate (Market Complex side) will be opened only during the arrival and departure time of the students. However, the entrance by the Reception side will remain open throughout the working hours. Parents can make use of the reception side entrance during mid-school hours for any necessity.
6. Parents desiring to meet teachers for any urgent purpose may come to school within 2 to 3 pm or as per the convenience of the teacher during working days.

Your whole-hearted cooperation will be highly appreciated.
