Sub: Sample quotation call notice for supply of new school uniforms-Revised

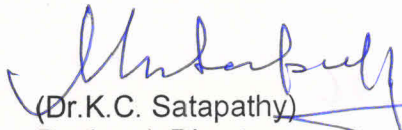

Sir/Madam

In view of the number of queries regarding the quotation for uniforms and thorough discussion, please find attached herewith the revised sample Quotation Call Notice for supply of new school uniforms for the students of your school, along with the revised Proforma for Quotation, which should be uploaded to the Notice Board & school websites of the respective schools, along with the revised dossier. It is advisable to forward all quotations received by the cluster schools to the Nodal school.

After a common meeting of the Cluster schools, chaired by the Nodal school, the uniform rates should be finalised to ensure uniformity in price and quality across the city/cluster.

Thank you.

Yours sincerely

  
(Dr.K.C. Satapathy)  
Regional Director 31/1/26
