**CERTIFICATE OF HEALTH & SANITATION**

This is to certify that sanitation and hygienic condition of DAV Public School, IFFCO, Paradeep Unit is quite satisfactory.

On behalf of medical department, we conduct regular visit to DAV School to check the cleanliness of washrooms (Boys and Girls), teacher's common rooms, classrooms, laboratories, corridor and surrounding area of the school. There is provision of ultra-filtered drinking water supply and supply of sanitary napkins through vending machines in toilets of girls and lady teacher's. As per the government guidelines, we undertake all vaccination programmes like Measles, Rubella and Japanese encephalitis in the school.

The overall standard of sanitation and hygienic condition is good.
